

Cutters Caring and Sharing (CC&S)

CC&S wants to help those in a crisis or need. Our Mission is to ensure the physical and social well being of PCCHA members whose livelihoods depend on the cutting horse industry. To enable CC&S to provide this service we need as much information as possible.

When requesting financial support please provide the following information:

- Recipient's full name, address and contact information.
- Please provide a statement listing specific purpose for this need. Including i.e., a sickness, accident, etc.
- Explain goal including what the funds will be directed to i.e., Insurance Deductible, Medical bills, Mortgage Payment, etc. Also, include the amount of goal requested.
- Explain the connection of the recipient with PCCHA. CC&S mission is to ensure the physical and social well being of PCCHA members whose current livelihoods depend on the cutting horse industry. *(here please elaborate on how the majority of your livelihood is dependent on the cutting horse industry)
- If someone besides the recipient is asking for the help from CC&S, we must have a form of a approval, from the recipient, i.e., signed letter informing CC&S they approve of the request. (see attached)

When the information is completed, you may submit request to:
