Dear Friends of PCCHA and Supporters of Youth in Cutting,

The Pacific Coast Cutting Horse Association is proud to introduce the Norman & Helen Clark Youth Scholarship Fund, established in honor of two individuals whose generosity, kindness, and unwavering dedication have left a lasting impact on our association and its youth programs.

For many years, Norman and Helen Clark have been champions of the cutting horse community, believing deeply in the importance of supporting young people as they grow both in and out of the show pen. Their commitment to the future of our sport has helped shape opportunities for countless youth competitors, and it is our privilege to carry that spirit forward through this scholarship fund.

The Norman & Helen Clark Youth Scholarship Fund was created to provide non-competitive scholarship grants to deserving youth members, helping them pursue educational goals and invest in their futures. These scholarships are designed to recognize commitment, character, and ambition—qualities that Norman and Helen have always valued.

As we launch this meaningful program, we invite you to join us in building its foundation. Your donation, whether large or small, will directly support the next generation of young men and women in our cutting horse community and help ensure that the values Norman and Helen embodied continue to inspire for years to come.

By contributing to this fund, you are not only investing in education—you are investing in the future of our sport, our youth, and the legacy of two extraordinary people.

Contact the PCCHA Office to make a contribution or ask any questions.

We sincerely thank you for your consideration and support.

With gratitude,

Pacific Coast Cutting Horse Association
