7:22pm Meeting Came to order at the South Point Casino & Equestrian Center

Debra Flashman approved the August Minutes from the General Membership Meeting in Reno, seconded by Dave Costello.

President's Report – Thank you for coming to the meeting and supporting the show at the South Point Casino, great payouts here in Vegas.

Read the Proposed Rule Changed and opened the floor for discussion. Discussion ensued.

Highlighted discussion/arguments include:

- Issues charging the \$7 fee to non-eligible competitors if the Rule should be approved, can't charge someone for an award they aren't allowed to receive.
- Going against NCHA Rules may cause affiliates to pull out/disconnect from NCHA and less participants to attend PCCHA approved shows
- Debbie Hall brought up if the rule change should pass, herself and other haulers may stop hauling on the West Coast and just go to other states to haul for the World. Another hit to PCCHA Show participation.
- Kathy Cardon suggests that the membership voices their opinion in writing by sending letters to NCHA to let them know how they feel about 50k Am – like it or dislike and WHY.
- Poll the PCCHA Membership to see how they feel, like or dislike. Bear Davis volunteered to help with formulating questions for the poll. Membership poll shall be done via eBlast to the membership.

Whit Davis moved to table the vote until the NCHA posts their proposed changes to the Weekend Restructure that is currently in the works with the NCHA Competition Committee. Seconded by Lance Madgwick. *This means it would basically be another year before a change will be made.

This Vote was carried by 33 YES, 6 No.

This item will be brought back up at the next General Membership meeting at the PCCHA Workshop in Rancho Murieta in January.

Whit Davis made a motion that PCCHA should create a Resolution to send to the NCHA of how our membership feels about the 50k Am Issues. Seconded by Kathleen Burr.

Motion carried 27 YES, 0 No.

New Business – None

Old Business – None
