## CLARK MILLER SPORTSMANSHIP AWARD

The Clark Miller Sportsmanship Award has been established to recognize those individuals, who as current youth members, have made outstanding contributions to the basic purpose and philosophy of the PCCHA and/or PCYCHA. Those current youth members so honored will be individuals who have exhibited high moral character, peer leadership, fairness, and a positive attitude, with an emphasis placed on members who have displayed extremely high levels of sportsmanship and who have consistently shown compassion to their equine partners.

The intention of this award is to honor youth members based upon each current year rather than a historical body of work. Criteria to determine recognition of these youth individuals will be based upon attitude towards trainers, friends, adults, contributions towards the association, etc. The success in the cutting arena of a nominee is not part of the criteria; however, the nominee's attitude towards fellow competitors, trainers, members of the association and the nominee's contributions to the association over the subject year will be considered.

Letters of nomination will be accepted from the PCCHA membership at large prior to July 1<sup>st</sup> of each year. **Letters of nomination should contain a brief biography of the proposed youth recipient and a summary of his/her contributions or other basis to receive said award.**

The committee appointed by the PCCHA President to consider Clark Miller Sportsmanship Award induction shall also receive any nominations for the award. Said committee will screen the nominations and submit a list of recommended recipients to the Board of Directors who shall make the selections.

Award ceremonies shall take place annually during the PCCHA Youth Year End Awards. There shall be no minimum or maximum number of recipients each year nor shall there be a limit on the number of times, consecutive or otherwise, that a nominee can receive said award.
