The Start of Something New

Hello all! I'm Jordan and I have joined up with the lovely Julie Clarke to help guide our PCYCHA members through the next years. The goal of a quarterly newsletter is to get information to all of the youth members with the hopes of increasing the youth involvement year round.

Julie and I have a lot of really great ideas and programs we would like to implement over the next few months but we will need the help and support of not only the youth members

but the support of the families of our youth as well.

Things that this includes will be fundraising, taking pictures, contributing articles, and even volunteering at various events. Something that we want to stress is that this sport, our

is a family. It takes a village and we need to be there for each other.

One of the new things we would like to do this new year is a PCYCHA Year Book. Similar to what you would have gotten in school, but instead of school activities it will have pictures of all the fun things we have planned during the next year.

In addition we are putting together a record book style recognition program for members to submit at the conclusion of each year covering their prior season.

These record books will consist of various items throughout the year and will help each member to accumulate points. Recognition will be awarded based on thoroughness and completeness. All details are being worked through currently

and will be released as soon as they have been finalized. But the goal of this program will be to recognize our members for their accomplishments outside the arena.

We hope this newsletter will help to inspire some very positive steps in the right direction for our members.

July 27 – 30th at the Reno Livestock Center

We will be not only having a ride off for scholarships in Reno for the Invitational, but when the dust settles we will be meeting up for Year End Awards and party!

We will have food, music, dancing and a cornhole tournament! So please make sure you are there!

A Big Thank You!

The PCYCHA would like to thank Audrey Louie for the donation of Jerry's saddle, pads and breast collar. This package was live auctioned off at the Trainers Round Up in March and helped to raise \$6500 for the Youth Fund! Thank you to Scott and Tara Roseman and Frank and Bonnie Martin for their support and purchase of these treasures!

Fundraising Challenge

The Youth has been donated a half hog that we will be raffling off! Specific details and tickets will be mailed to you!

Sponsors Needed!!

The Youth needs to start looking for sponsors for the upcoming year. Please think outside of the box and hit up new people that might be interested!

Yearbook Contributions:

Over the next 12 months I want you youth members, and families, to take out those phones and take pictures! I need lots of pictures with captions of who, where, when, etc. These will help to create the first ever PCYCHA Yearbook! You can send them to the email that will be only for the yearbook:

psychapics@gmail.com

Q: What other things could we include in this newsletter that would interest you?

*final*thoughts...

Please check your calendars and get excited for the new year, lots of things are happening and we can assure you that you don't want to miss it!
