Notes to Financial Statements
December 31, 2013

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of Pacific Coast Cutting Horse Association Youth Fund have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to nonprofit entities. The more significant of the Youth Fund's accounting policies are described below.

A. Organization and Nature of Activities

The Pacific Coast Cutting Horse Association Youth Fund (the Youth Fund) is the official youth cutting horse Association for nine western states within Association territory and is dedicated to maintaining the standards of cutting and attracting new youth participants to the sport. The Youth Fund's support comes primarily from individual sponsor contributions and fundraising events.

The Youth Fund is a nonprofit organization as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal and state income taxes.

B. Income Tax

The Youth Fund is exempt from federal and state income taxes under Section 501 (c)(3) of the Internal Revenue Code and therefore, no provision for income taxes has been made in these financial statements.

FASB ASC Topic No. 740, Income Taxes, prescribes a comprehensive model for the financial statement recognition, measurement, presentation and disclosure of uncertain tax positions taken or expected to be taken in income tax returns. Management of the Youth Fund believes that it has not taken a tax position that, if challenged, would have a material effect on the financial statements. The Youth Fund files Form 990 in the federal jurisdiction within the United States and Form 199 in the State of California. At December 31, 2013, the Youth Fund's tax returns related to the years ended December 31, 2010, through December 31, 2012 remain open to possible examination by tax authorities. No tax returns are currently under examination by any tax authorities. The Youth Fund has not incurred any penalties or interest under FASB ASC Topic No. 740.

C. Basis of Accounting

The basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements.

The financial statements of the Youth Fund have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

D. Basis of Presentation

The Youth Fund presents its financial statements in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic No. 958-205, Not-For-Profit Entities: Presentation of Financial Statements. Under FASB ASC Topic No. 958-205, the Youth Fund is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Basis of Presentation (Continued)

Unrestricted net assets - Net assets that are not subject to donor imposed stipulations. The balance in unrestricted net assets represent the excess of assets over liabilities.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that will be met by actions of the Youth Fund and/or the passage of time.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that the principal be maintained permanently by the Youth Fund. The Youth Fund does not have any permanently restricted net assets.

The Youth Fund reflected as temporarily restricted net assets funds received from Clark Miller, funds received from the William and Inez Mabie Family Foundation classified as Inez Mabie, and funds received from the Fred Steck Challenge classified as Latigo Canyon.

The Clark Miller funds may be used for scholarships. Inez Mabie funds are used to provide scholarships of \$1,000 to \$2,500 for qualifying youth who wish to pursue higher education goals. The Latigo Canyon funds may be used to pay for direct education expenses of a student.

Activity for the year ended December 31, 2013, was as follows:

	Temporarily Restricted				
	Clark Miller	Inez Mabie	Latigo Canyon	Unrestricted	Total
Balance at 1/01/2013	\$ 1,245	\$ 62,189	\$ 273,373	\$ 45,247	\$ 368,730
2013 Change in net assets	-	(6,000)	(5,600)	8,454	(3,146)

E. Donated Services

Donated services are recognized as contributions if the services, (a) create or enhance non-financial assets, or (b) require specialized skills, and are performed by people with those skills, and would otherwise be purchased by the Youth Fund. The Youth Fund pays for most services requiring specialized skills. However, a number of individuals volunteer their time and perform a variety of tasks that assist the Youth Fund with specific program functions and various other activities that are not recognized as contributions in the financial statements, because the recognition criteria under accounting principles generally accepted in the United States of America were not met.

K. Compensated Absences

The Youth Fund does not have any employees and consequently does not have any liability for compensated absences.

L. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.
